1.3 million Australians live with diabetes
+ a further **500,000** are undiagnosed

people with diabetes will spend an estimated **1.4 extra days** in hospital per visit

Diabetes NSW & ACT is offering a diabetes evening workshop for nurses working within a hospital, medical practice, community health or aged care setting.

The training will provide participants with an increased understanding of diabetes and the services available to their patients. This session is suitable for Enrolled Nurses and Registered Nurses.

Topics covered:

- Overview of Diabetes
- Management of highs and lows
- Pharmacology in Diabetes
- Technology in Diabetes Management
- Psychosocial care in Diabetes

Australian College of Nursing
