

CHN's Commissioned Services – January 2021

Mental Health

- Woden Community Service
 - **The Way Back Support Service:** Suicide postvention service, available to people who have attended hospital following a suicide attempt. For further information: www.wcs.org.au/services/mental-health/the-way-back-support-service
Status: Open to referrals. Online video and phone support.
Contact: 1800 929 222.
- Catholic Care Canberra and Goulburn
 - **Next Step:** Evidenced-based structured intervention based on Cognitive Behaviour Therapy (CBT) to develop self-help strategies for people with mild to severe symptoms of a mental health condition. For people with severe mental health issues a Mental Health Treatment Plan may be required. For further information visit: www.catholiccare.cg.org.au/services/next-step/
Status: Open to referrals, online video and phone support. Contact: Ph (02) 6162 6111 or email nextstepintake@catholiccare.cg.org.au
 - **Stepping Stones:** A trauma-informed program for children 12 years and under, who have witnessed or experienced a single incident or ongoing trauma, who are not currently receiving psychological support. Delivered by a multidisciplinary team, free of charge. Families and carers will be supported via education about the effects of trauma and how to best assist their child's recovery (families will also need to undergo an assessment process). For further information visit: <https://catholiccare.cg.org.au/services/stepping-stones/>
Status: Open to referrals, online video and phone support. Contact: Ph (02) 6163 7600 or email: SteppingStones@catholiccare.cg.org.au
- Grand Pacific Health
 - **headspace:** provides early intervention mental health services to young people aged 12-25 years. A Mental Health Treatment Plan may be required or may be recommended in conjunction with accessing headspace services. For further information: headspace.org.au/headspace-centres/headspace-canberra/
Status: Open to referrals. Online video and phone support.

Contact: Ph (02) 6113 5700, Fax (02) 6113 5744 or
Email hcinfo@gph.org.au.

- Meridian Wellbeing Services
 - **Psychological and Stepped Care Support Services:** This program supports the LGBTIQ+ community, aged 16 years and over, by offering psychological interventions by a psychologist and emotional and social support through the provision of comprehensive assessment and structured support plans. Meridian is a peer-led and community-controlled health service. Meridian is currently accepting referrals for the services.
Status: Open to referrals.
Contact: Ph (02) 6257 2855 or 0412 882 855; or
Email: Wellbeingservices@Meridianact.org.au

For more information on the program please visit: <https://meridianact.org.au/>. A current GP Mental Health Care Plan is required to access this service.

Psychosocial (National Psychosocial Support Measure)

- Woden Community Service
 - **New Path:** An early intervention psychosocial service to assist people to tackle severe mental health challenges with associated functional impairment, targeting 18-35 years and up to 64 years.
