### Candidate Statement

<b>Candidate name (please print):</b>	<b>Dr Niral Shah</b>		
<b>Tick the Director Position being nominated for:</b>	B2 <input type="checkbox"/>	B3 <input checked="" type="checkbox"/>	

**Statement in support of nomination**

Dear Friends,

My name is Dr Niral Shah. I would like to take this opportunity to introduce myself and submit my expression of interest to represent us on the Board of Capital Primary Health network.

I am an overseas-trained doctor and have obtained my primary medical degree and specialist qualifications from India. I am a practicing GP and a fellow of the RACGP.

I have always been interested and involved in advocating interest and wellbeing of my fellow colleagues during my training. Currently I am working part time as a GP in Gungahlin. In my other half time I work as a medical educator and the director on CHN as well the RACGP board.

I take pride and feel privileged to help and support GP registrars as well my fellow GP to meet their learning and training needs. Apart from teaching, I am also passionate about representing my peers and advocate for their professional rights and well-being. I have previously been involved in similar activities as a medical administration trainee and registrar representative on the board of our GP training organisation and The RACGP.

For the last 3 years I have been privileged to work with a group of like-minded board members on the CHN board. As a team we have worked together to support our community for their complex health care needs and more importantly supported our primary care clinicians to steer during pandemic

Being a current director, I have recent experience to work in the same position and understand the complexity of health care as well organisational needs. I also have similar previous experience – both local and overseas

I bring a unique business perspective from a medical professional eye. This will help me to positively contribute to function of PHN. I will appreciate your ongoing support for this role.

Thank you kindly  
Niral Shah
