### Activity Priorities and Description

**Program Key Priority Area \***

Mental Health

**Other Program Key Priority Area Description****Aim of Activity \***

This activity aims to support service delivery and build capacity of service providers to deliver psychosocial services.

**Description of Activity \***

ACT PHN is working with contracted service providers to:

- Identify opportunities to improve access and support service delivery
- Build capacity within their teams to improve service delivery

This will focus on:

- Service navigation: working with service providers to support service navigation and referral pathways to other services that support a client's wellbeing
- Improving intake and assessment process including use of standardised tools that validated and strengths-based
- Testing or re-testing for NDIS
- Assertive outreach

This also includes CHN operational costs to support this work.

**Activity Prefix \***

PSD

**Activity Number \***

5000

**Activity Title \***

Streamlined Psychosocial Service Delivery

**Existing, Modified or New Activity \***

Modified

### Activity Priorities and Description

**Program Key Priority Area \***

Mental Health

**Other Program Key Priority Area Description****Aim of Activity \***

To commission person-centred and recovery-focused psychosocial support services to support new and existing eligible consumers who are 18+ and are not more appropriately funded through the NDIS and are significantly affected by severe mental illness, which has impacted on their associated psychosocial functional capacity. These services, in partnership with families and carers (as appropriate) provide a range of non-clinical community-based support to support these individuals to achieve their recovery goals.

**Description of Activity \***

ACT PHN is working with 3 contracted service providers to:

- Identify opportunities to improve access and support service delivery, and
- Build capacity within their teams to improve service delivery

This is accomplished through:

- Service navigation: working with service providers to support service navigation and referral pathways to other services that support a client's wellbeing
- Improving intake and assessment process including use of standardised tools that validated and strengths-based
- Testing or re-testing for NDIS
- Assertive outreach
- Providing a range of psychosocial supports including:
  - Social skills and connections

- Day to say living skills
- Financial management and budgeting
- Finding and maintaining a home
- Vocational skills and goals
- Maintaining physical wellbeing
- Building life skills and resilience
- Reducing the avoidable need for more intense and acute health services and reduce unplanned or crisis-driven use of the health system.
